09:43:27 From Chris Palmer : Chris Palmer, Bethesda Metro Area Village, [Christopher.n.palmer@gmail.com](mailto:Christopher.n.palmer@gmail.com)

09:51:20 From Barbara Sullivan, Village to Village Network : WAVE is the largest regional group in the Village Movment! Congratulations on your new BOD! Great team!

09:55:35 From Barbara Sullivan, Village to Village Network : (twice the size of CA!)

10:03:39 From Barbara Sullivan, Village to Village Network : Conference in October has not been "officially" confirmed. We hope to make an announcement in the coming weeks.

10:05:21 From Judy Berman she/her : CHV did a symposium on these issues last spring. Videos are on our website if anyone wants to see.

10:08:32 From Carolyn Rourke, LOWLINC : Survey of Village Interests: [https://wavevillages.org/content.aspx?page\\_id=331&club\\_id=523430&item\\_id=28422&actr=3](https://wavevillages.org/content.aspx?page_id=331&club_id=523430&item_id=28422&actr=3)

10:09:24 From Mary Jo Deering : Kathy Cameron is with National Council on AGING

10:10:32 From Jeanne Benas : What are evidenced-based programs?

10:11:45 From Judy Berman CHV she/her : It means there's sufficient evidence to demonstrate that the program produces the outcomes it claims to produce. There's a process that programs need to follow to be designated "evidence based" by HHS

10:12:16 From Judy Berman CHV she/her : I should have said there's an evaluation process that needs to be followed (e.g. control groups)

10:12:24 From Wendy, Arlington Neighborhood Village : Evidence based programs are programs for older adults that have gone through a rigorous evaluation to prove their value to participants. It usually means that program has been assess using control groups with results published in a quality journal. They can be in all subject areas. One well-known program is the SAIL program - it's a falls prevention program.

10:12:58 From Jeanne Benas : Thank you all.

10:18:58 From Wendy, Arlington Neighborhood Village : There are two registration streams for the Jan 31 seminar on Evidence-Based programs. The hybrid seminar requires on-line registration (the registration link can be found on the WAVE website). If your village is interested in attending the in-person seminar and follow-on luncheon at Marymount University, please email [WendyZenker@arlnvil.org](mailto:WendyZenker@arlnvil.org)

10:19:42 From Susan Decker : I'd like to see the report
